

## BAFTA ROCLIFFE FORUM LIST – FILM 2015

This BAFTA Rocliffe Forum List spotlights the projects from our Film 2015 script call which have received a minimum of four recommendations from our panels of industry executives.

The Forum List gives agents, producers, industry executives and directors an opportunity to discover new writing talent. To contact any of the writers listed below, simply email us at office [at] rocliffe dot com with your details and we will connect you.

TITLE	WRITER	SYNOPSIS
<b>Deceit</b>	Marko Fuchs	Sam has done his time, but his troubled past won't let him go. Deceit and mistrust ultimately lead his family to the brink of destruction.
<b>The Haul</b>	Anthony Khaseria	When a teenage boy goes offshore fishing with his father for the first time, they catch something which causes a profound change in his beliefs.
<b>Mules</b>	Georgia Lester	Three female friends escape their mundane reality for a summer in Magaluf, but their desperation for adventure leads them into a drug smuggling ring.
<b>Talk To The Animals</b>	Mark Eccleston	The true shambolic story behind Doctor Dolittle, the film that bankrupted Fox, ruined Rex Harrison's marriage and nearly killed its heroic producer Arthur P. Jacobs.
<b>The Savages</b>	Diane Taylor-Karrer	The residents of a suburban street come to blows when the body of an asylum seeker lands across a disputed boundary between two neighbouring households.
